

Pennsylvania College Fair List

PACAC would love to have secondary school counselors more fully benefit from our organization! PACAC is a non-profit educational organization comprised of over 1000 secondary school counselors, college admission counselors, independent educational consultants, and other educational professionals who guide students through the post-secondary school transition. Please visit our website www.pacac.org to do more research about all our organization has to offer and also to become a member!

Each year, PACAC puts together a list of college fairs that take place throughout the Commonwealth of Pennsylvania. It is posted/ marketed on our website in the spring of each year.

This list serves three purposes:

- 1) Help Admission Representatives plan their travel;
- 2) Help counselors to see where to send their students;
- 3) Help families to see what college fairs are taking place in their area.

We encourage organizers to avoid Regional College Fair times and National/Religious holidays. We also encourage organizers to choose a date that does not conflict with another program to ensure that you get the most participation from colleges and students. While we may give suggestions for the best time to have your fair, given the dates of other events in your area, being on this list **does not** make you a PACAC-sponsored fair.

Please complete the online form
