

PowerPoint Guidelines

Below are the required uses of the slide deck:

- Use only the provided branded PACAC PowerPoint slide template deck for any PACAC program, presentation, meeting, or session.
- Use any of the slides among the template deck. Always include the Presentation Title and Thank You slides.
- Do not modify the font style or color. Font size can be changed.
- Do not modify the layout, colors, logo or design elements.
- Always refer to the official brand guidelines for logo use, approved colors, and fonts.

Below are general best practices for using PowerPoint:

- Avoid overcrowding slides with too much text or imagery.
- Stick to one main idea per slide.
- Keep text clear and concise.
- Use bullet points, not long paragraphs.
- Check for consistency in spacing, alignment, and overall presentation style.
